On 11th March: Celebration at College Campus

Special lecture, Oral presentation & poster presentation by
Students and Quiz

E-certificate will be provided for attending the programme on both days

[Registration Link](#)

About the Programme: The National Science Day is celebrated every year on 28th February to mark the occasion of the Noble Prize winning discovery of RAMAN EFFECT by Sir C. V Raman at the Indian Association for the Cultivation of Science (IACS) in Kolkata in the year 1928. This year we are going to celebrate the occasion virtually on 28th February, 2022 from 4:00 PM onwards and on 11th March, 2022 at college campus. The basic objective of celebration is to invoke interest and passion of science among the students and to spread the message of importance of science and its application among the people. The program consists of popular scientific talks by some of our faculty members on 28th February and oral presentation, poster presentation by students, Quiz on 11th March.
